

Re-elect

Debbie Chapman

Councillor, Ward 9

Since starting this campaign, we've knocked on 10,000 doors. I'm reaching out to Ward 9 voters who want to continue working with me for a Kitchener that is a great place for everyone to live – for a Kitchener that is:

- ✓ Affordable
- ✓ Equitable
- ✓ Liveable
- ✓ Sustainable

Join me for four more years.

Putting community first!

Election day is
Monday, October 24

Vote Chapman

Together we can make a more liveable city

City Council deals with traffic on your local commute, parks and trails, sports fields and swimming pools, snow clearance and parking, policies about housing and development...and much more.

As City Councillor, the positions I take on local issues are informed by what my constituents tell me. Above all, these issues concern affordable housing for everyone. ***Housing is a human right – that is my conviction.*** As your representative on Council, I seek to address current community needs while delivering a clear, stable vision for managing the future.

Join me. With our combined energy and vision we can make an affordable, equitable and sustainable future for all Kitchener residents.

Vote Chapman for a strong, independent voice at City Hall.

Ward 9

10 a.m. to 8 p.m.
